

## NEWS NOTES

Elkhorn, Crozer and vicinity

The revival services sponsored by the No. 2 class of Crozer Baptist Sunday School is progressing nicely. The evangelist, Rev. J. H. Taylor and pastor Rev. William Miller are giving their untiring services in the meeting.

Preaching at 7:00 each evening. The public is invited.

Mr. William R. Miller has returned from Clarksburg where he attended the State Singing convention.

Mr. and Mrs. Sampson Adams and son, Harry Thomas, spent last Sunday at Maubury and attended the 27th anniversary of Rev. J. B. Evans, pastor of Mt. Moriah Church. Rev. J. H. Palmer preached the anniversary sermon at 3:00 P.M., and was accompanied by both Junior and Senior choirs of the Wingfield Baptist church of Eckman.

The Women's District convention convened with the Mercy Seat Baptist church, of Powhatan, Wednesday and Thursday of last week. The services were largely attended. The president's address was a master-

piece, subject: "Preserving Old Landmarks." Another important feature was the organization of the "Youth O' Gram" for the training of young christian men and women. The next annual meeting will be held with the Scott Street Baptist church in Bluefield, W. Va.

Mr. Wm. R. Miller attended the 18th annual Session of the West Virginia Baptist Singing convention in the Mt. Zion Baptist church, Clarksburg, W. Va., June 14 to 16. Mr. Miller reports a good meeting and that he was re-elected as second vice-president of the organization.

Miss Willa S. Miller was visiting her aunt, Mrs. Della Mack and family in Bluefield on Saturday, June 15th.

Mrs. Margaret L. Miller attended service at Galilee Baptist church at Arlington, Sunday, June 15th. She was also dinner guest of Mr. and Mrs. Robert Murrell and family. Mrs. Miller was accompanied by her daughter, Hortense Brown.

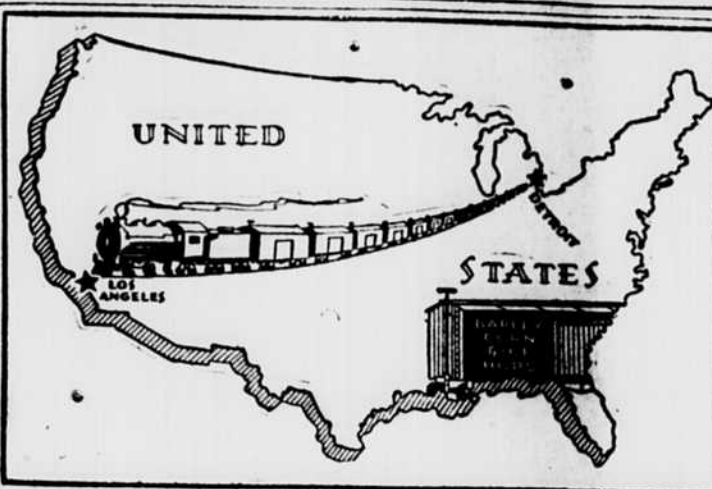

Mr. James Moon, Mr. Hatfield Ste. Clair, Mrs. Agnes Wooding, Misses Susie Mae Ward, Hattie B. and Willa Miller visited Rev. R. H. McKoy and Mrs. Alice Lewis of Bramwell Sunday afternoon.

### Cubic Miles of Ocean Water

All the oceans of the world combined contain 327,672,000 cubic miles of water; one cubic mile contains more than 1,100,000,000 gallons.

Word "Myriad" From Greek  
The word "myriad" is from the Greek "myrioi," meaning ten thousand. As ordinarily used, however, it signifies a great but indefinite number.

### Grains for Brewing Would Fill Train Spanning Three-fourths of Continent

AMERICAN farm products purchased by the brewing industry since beer's legalization in 1933 have reached a total of 25 billion pounds, enough to fill a freight train extending from Los Angeles to Detroit.

More than three million acres of farm land must be cultivated each year to raise the billions of pounds of barley, corn, rice and hops for which brewers pay approximately \$100,000,000 annually.

In 1939 alone nearly four billion pounds of these products were used to make the 55,191,103 barrels of beer, which the United States Bureau of Internal Revenue reports were produced last year.

These are among the developments recorded by the United Brewers Industrial Foundation in its annual survey of the brewing industry.

The past year also witnessed rapid expansion of the industry's program of active cooperation with local law enforcement officials to

eliminate anti-social conditions wherever they may surround the sale of beer. The number of states in which industry committees dedicated to this purpose are in operation increased from one to nine. Similar programs are to be installed in additional states during the coming year.

Direct taxes collected on the 1939 sale of beer totaled \$411,596,780 and averaged \$7.80 per barrel on the \$2,768,318 barrels withdrawn for sale. This revenue is earmarked for old age pensions, educational institutions, public health, aids to agriculture and other special purposes in many states and municipalities. The remainder, including the Federal Government's share of \$267,642,983, is allocated to general expense funds.

The 1939 payments bring the total tax revenue collected by Federal, State and local agencies since beer's legalization to approximately two and a quarter billion dollars.

### Wedding Cakes for Bridal Table

ALMOST ALL OF US at this time of the year know a bride who is planning her wedding breakfast, luncheon, or reception as the case may be. One of the first menu problems confronting her is how to decorate the important wedding cake. This is sometimes handled by the local baker, but often the bride prefers to use a favorite family recipe and have it made at home, even though she does want a few of the confectioner's frills that make a wedding cake so festive. It is really quite easy to do attractive decorations yourself once you've mastered the art of the pastry tube. Just arm yourself with one well in advance, start practicing on your cakes now and when the wedding day comes you will be able to achieve a triumph for the bride. There are numerous ways to decorate the wedding cake, some simple and others more elaborate. Any of the recipes and decorative plans suggested here will make an elegant centerpiece for the wedding table or for wedding anniversary celebrations:

**White Cake**—Cream  $\frac{1}{2}$  cup butter, add 1 cup sugar and cream together thoroughly. Add 1 teaspoon vanilla. Sift together twice 2 cups pastry flour (sifted once before measuring), 2 teaspoons baking powder and  $\frac{1}{2}$  teaspoon salt, and add to butter mixture alternately with  $\frac{1}{2}$  cup milk. Fold in 3 stiffly beaten egg whites. Pour into two lightly greased layer cake pans, the bottoms of which have been lined with waxed paper, and bake in a moderate oven (375° F.) for 20 to 25 minutes. Cake will spring back when touched lightly with finger, if done. Cover cake with a white frosting and with a pastry tube write the bride's initials in the center of the cake. Then, using the pastry tube again, place a fluted ring of icing around the top edge of the cake. Set the cake on a low flat cake plate covered with a lace edged paper doily so the lace frill will surround the cake.

**Mince Meat Fruit Cake**—To 1  $\frac{1}{2}$  lb. tins or jars Mince Meat add  $\frac{1}{2}$  cups raisins,  $\frac{1}{4}$  cups nut meats,  $\frac{1}{2}$  cups sugar,  $\frac{1}{2}$  cup butter, melted, 2 teaspoons vanilla and 3 eggs, then beat thoroughly. Sift 2 cups all-purpose flour (sifted once before measuring) with 2  $\frac{1}{2}$  teaspoons baking powder,  $\frac{1}{2}$  teaspoon soda and  $\frac{3}{4}$  teaspoon salt, then sift and fold into the Mince Meat mixture. Pour into one 9-inch tube cake pan and bake in a slow oven (325° F.) for 1  $\frac{1}{2}$  hours. Frost prettily with a fluffy white frosting and place cake in the center of the table. Arrange a ring of delicate greenery, amilax, ferns or other leaves around the cake. Then here and there among the greenery scatter dainty stems of lilies-of-the-valley and white dogwood.

**Angel Food Cake**—Sift 1 cup pastry flour (sifted once before measuring) and  $\frac{1}{2}$  cup sifted sugar together four times. Sift 1 more cup sugar four times. Beat 1  $\frac{1}{2}$  cups egg whites until foamy. Add  $\frac{1}{2}$  teaspoon salt, 1 teaspoon cream of tartar and 1 teaspoon Distilled White Vinegar and continue beating until egg whites are stiff enough to hold up in peaks. Sift in the 1 cup sugar slowly, folding

continuously. Sprinkle 1 teaspoon vanilla over top and fold in with two or three strokes. Sift flour and sugar mixture over egg mixture and fold in with as few strokes as possible. (Too many strokes cut down volume of cake and toughen it.) Pour batter into ungreased angel food pan and bake in a slow oven (275° F.) for 30 minutes, then increase heat to 325° F. and continue baking 30 minutes longer. Remove from oven and invert pan for 1 hour or until cold. Be sure pan has been thoroughly washed in hot soap suds, rinsed in hot water and dried each time before using. Frost cake with a white frosting. Using a pastry tube, make festoons of frosting around the sides of the cake and conceal a low vase in the center hole. Fill this vase with a lovely grouping of white or delicately colored flowers that will extend over the top of the cake.
